# Having an X-Ray of Your Teeth

Having an x-ray  
of your teeth

You are coming for an x-ray.

At the main reception someone can show you the way to the x-ray department.

You should have a card or letter to bring with you.

Give your card or letter to the x-ray department.

You can sit in the waiting room until it is your turn.

Shelley waiting to go

You will have to wait for a short time whilst your x-ray is checked.

They will tell you when you can go and when you will get your results.

They might give you a card to take back to the clinic.

Shelley at reception

	You might have to take your jewellery off.
	The radiographer will help to put you in the right position.
	You should try to stay as still as you can.
	The radiographer will go behind a window to take the x-ray.
	The x-ray machine moves around your head.
	It will not touch you.
	It does not hurt.
	It is like having your picture taken.
